

MedStar Georgetown University Hospital's

Functional Diabetic Limb Salvage: A Team Approach

In Collaboration with the Wound Healing Foundation

April 8 to 11, 2026

JW Marriott | Washington, D.C.

Unlock the Future of Limb Salvage!

TRAILBLAZERS IN WOUND CARE EXCELLENCE

Experience the power of collaboration as world-renowned faculty come together to share cutting-edge education and practical tools designed to elevate your entire care team.

COLLABORATE. INNOVATE. TRANSFORM.

Connect with peers across specialties to exchange ideas, explore emerging technologies, and build strategies that advance the art and science of wound healing.

INNOVATIVE TECHNIQUES

Explore a forward-thinking program packed with evidence-based sessions, interactive workshops, and practical strategies designed to elevate patient care and outcomes.

IN COLLABORATION WITH THE WOUND HEALING FOUNDATION

We're proud to once again join forces with the Wound Healing Foundation reinforcing our shared mission to push the boundaries of excellence in wound healing.

Conference Chairmen:

Christopher E. Attinger, MD

MedStar Georgetown University Hospital
Georgetown University School of Medicine
Washington, D.C.

John S. Steinberg, DPM

MedStar Georgetown University Hospital
MedStar Washington Hospital Center
Georgetown University School of Medicine
Washington, D.C.

DLS Conference Chairmen

Christopher E. Attinger, MD

Chief, Division of Wound Healing
MedStar Georgetown University Hospital
Professor, Plastic and Orthopaedic Surgery
Georgetown University School of Medicine
Washington, D.C.

John S. Steinberg, DPM

System Chief, Division of Podiatric Surgery
MedStar Georgetown University Hospital
MedStar Washington Hospital Center
Director, Podiatric Residency Training Program
Professor, Plastic Surgery
Georgetown University School of Medicine
Washington, D.C.

DLS Course Directors

Cameron M. Akbari, MD

Senior Vascular Surgeon
MedStar Georgetown University Hospital
Associate Professor, Surgery
Georgetown University School of Medicine
Washington, D.C.

Thalia A. Attinger, MSN, FNP-BC

Nurse Practitioner, Wound Healing & Hyperbaric Medicine
MedStar Georgetown University Hospital
Washington, D.C.

Karen Kim Evans, MD

Plastic Surgeon
MedStar Georgetown University Hospital
Associate Program Director and Vice Chairman of Education
MedStar Plastic and Reconstructive Surgery
Professor, Plastic Surgery
Georgetown University School of Medicine
Washington, D.C.

J.P. Hong, MD, PhD

Plastic Surgeon
Asan Medical Center
Professor, Plastic and Reconstructive Surgery
University of Ulsan
Seoul, Korea

WHF Course Directors

Laura K.S. Parnell, BS, MSc

President & Founder
Precision Consulting
Missouri City, TX

Joshua Tam, PhD

Assistant Professor, Dermatology
Wellman Center for Photomedicine
Massachusetts General Hospital
Harvard Medical School
Affiliate Faculty
Harvard/MIT Health Sciences and Technology
Cambridge, MA

Rica Tanaka, MD, PhD

Director, Podiatry Medicine
Juntendo University Hospital
Chairman and Professor, Regenerative Therapy
Juntendo University Graduate School of Medicine
Professor, Plastic and Reconstructive Surgery
Juntendo University School of Medicine
Tokyo, Japan

Faculty

David G. Armstrong, DPM, MD, PhD

Director, Southwestern Academic Limb Salvage Alliance
Distinguished Professor, Surgery and Neurological Surgery
Kekck School of Medicine of University of Southern California
Los Angeles, CA

Jayson N. Atves, DPM

Director, Foot & Ankle Research Fellowship
Podiatric Surgeon
MedStar Georgetown University Hospital
Assistant Professor, Plastic Surgery
Georgetown University School of Medicine
Faculty, Podiatric Surgery Residency Program
MedStar Health
Washington, D.C.

Carol Deane Benedict, MD

Division of Rheumatology, Center for Wound Healing
MedStar Georgetown University Hospital
Assistant Professor, Medicine
Georgetown University Medical Center
Washington, D.C.

Nelson L. Bernardo, MD

Director, Peripheral Vascular Laboratory
MedStar Heart & Vascular Institute
MedStar Washington Hospital Center
Washington, D.C.

Peter A. Blume, DPM

Medical Director, NOS/HVC/Ambulatory Surgery,
Podiatric Service Line Physician Executive
Yale New Haven Health Systems
Assistant Clinical Professor, Surgery,
Anesthesia and Cardiology
Yale School of Medicine
New Haven, CT

Larry Ray Bogart Jr.

Founder
CombatLab Elite Performance LLC.
Washington, D.C.

Andrew J.M. Boulton, MD, DSc

Consultant Physician, Manchester Royal Infirmary
Past-President, European Association for the Study of Diabetes
Past-President, International Diabetes Federation
Professor, Medicine
University of Manchester
Manchester, UK
Visiting Professor, University of Miami
Miami, FL

Lisa M. Boyle, MD

President
MedStar Georgetown University Hospital
Senior Vice President
MedStar Health
Washington, D.C.

Paul J. Carroll, DPM

Chief, Division of Podiatric Surgery
Medical Director, MedStar Wound Healing Institute
MedStar Franklin Square Medical Center
Baltimore, MD
Assistant Professor, Plastic & Reconstructive Surgery
Georgetown University School of Medicine
Washington, D.C.

Nashwa Cheema, PhD

Postdoctoral Researcher
Massachusetts General Hospital
Harvard Medical School
Boston, MA

Ernest S. Chiu, MD

Medical Director, Helen L. & Martin S. Kimmel Hyperbaric
and Advanced Wound Healing Center Ambulatory Care Center
Professor, Plastic Surgery
Vice Chair for Academic Affairs Hansj?rg Wyss Department
of Plastic Surgery
NYU Langone Health
NYU Grossman School of Medicine
New York, NY

Lawrence B. Colen, MD

Plastic Surgeon
Sentara Norfolk General Hospital
Macon & Joan Brock Virginia Health Sciences
Professor, Surgery
Old Dominion University
Norfolk, VA

Michael Corcoran, CPO

Co-Founder
Medical Center Orthotics & Prosthetics
Silver Spring, MD

Sejal G. Dave, MS, RD

Clinical Dietitian
MedStar Georgetown University Hospital
Washington, D.C.

Ketan Dhatariya, MBBS, MSc, MD, MS, PhD

Consultant in Diabetes, Endocrinology and
General Medicine
Honorary Professor, Medicine
Norfolk and Norwich University Hospitals
NHS Foundation Trust
Norwich, United Kingdom

DLS KEYNOTE SPEAKER

Stephen R. T. Evans, MD

Executive Vice President, Medical Affairs and
Chief Medical Officer
MedStar Health
Columbia, MD
Professor, Surgery
Georgetown University School of Medicine
Washington, D.C.

John M. Felder, MD

Associate Professor, Plastic Surgery
Oakland University William Beaumont School of Medicine
Corewell Health East William Beaumont University Hospital
Royal Oak, MI

Frances Game, MD

Consultant Diabetologist and Director of R&D
Royal Derby Hospital
Co-Director Derby Clinical Trials Support Unit
University Hospitals of Derby and Burton NHS FT
Clinical Director, East Midlands Diabetes & Vascular
Diseases NHS Clinical Network
Honorary Professor, University of Nottingham
Derby, United Kingdom

Veronica A. Haywood-Ragland, DPT, PT, PhD

Senior Manager, Intellectual Property and Technology
Development
Polsky Center for Entrepreneurship and Innovation
The University of Chicago
Chicago, IL

James P. Higgins, MD

Chief, The Curtis National Hand Center
MedStar Union Memorial Hospital
Baltimore, MD

Henry C. Hsia, MD

Founding Director,
Yale Regenerative Wound Healing Program
Professor, Surgery & Biomedical Engineering
Yale School of Medicine
New Haven, CT

Venu M. Kavarthapu, MD

Reconstruction Lead King's Diabetic Foot Unit
King's College Hospital
London, United Kingdom

Misaki M. Kiguchi, MD, MBA

Director, MedStar Health Vein Centers
Program Director, Vascular Surgery
MedStar Georgetown University Hospital
Associate Professor, Surgery
Georgetown University School of Medicine
Washington, D.C.

Faculty

Paul J. Kim, DPM, MS

Medical Director, Wound Program
University of Texas Southwestern Medical Center
Professor, Plastic Surgery and Orthopedic Surgery
University of Texas Southwestern Medical Center
Dallas, TX

Grant M. Kleiber, MD

Chief, Plastic & Reconstructive Surgery
MedStar Washington Hospital Center
Washington, D.C.

Christina M. Koehler, BSN, RN, CWON

Clinical Nurse II, Wound Ostomy Nurse
MedStar Georgetown University Hospital
Washington, D.C.

Stephen J. Kovach III, MD

Director, Microsurgery Fellowship
Herndon B. Lehr Endowed Professor, Surgery
Professor, Plastic Surgery & Orthopaedic Surgery
University of Pennsylvania Health System
Philadelphia, PA

Princy N. Kumar, MD

Chief, Infectious Diseases and Tropical Medicine
MedStar Georgetown University Hospital
Professor, Medicine and Microbiology
Vice Dean for Student Affairs, School of Medicine
Georgetown University School of Medicine
Washington, D.C.

George T. Liu, DPM, MPH

Foot and Ankle Surgeon
Professor, Orthopaedic Surgery
The University of Texas Southwestern Medical Center
Dallas, TX

David J. Margolis, MD, PhD

Vice Chair for Faculty, Dermatology
Gerald S. Lazarus Professor of Dermatology
Professor, Epidemiology
University of Pennsylvania
Philadelphia, PA

WHF KEYNOTE SPEAKER

Svetlana Mojssov, PhD

Lulu Chow Wang and Robin Chemers Neustein Research
Associate Professor
The Rockefeller University
New York, NY

Richard F. Neville, MD

Chief, Vascular Surgery, Wound Care, Hyperbaric Medicine
Associate Director, Inova Schar Heart and Vascular
Professor, Surgery
George Washington University
Professor, Medical Education
University of Virginia
Fairfax, VA

Surgeon, Reconstructive Foot and Ankle
MedStar Georgetown University Hospital
Assistant Professor, Plastic Surgery
Georgetown University School of Medicine
Washington, D.C.

2026 MedStar Georgetown Distinguished Achievement Award in Diabetic Limb Salvage

MedStar Georgetown University Hospital is honored to present Dr. Richard F. Neville with the 2026 MedStar Georgetown Distinguished Achievement Award in Diabetic Limb Salvage.

Richard F. Neville, MD, FACS, DFSVS is Associate Director of INOVA Schar Heart and Vascular, as well as Chief of Vascular Surgery/Wound Care/Hyperbaric Medicine. Dr. Neville has an academic appointment as Professor of Medical Education at the University of Virginia, and Professor of Surgery at George Washington University where he previously held the position of Ludwig Chief of Vascular Surgery. He also served as Chief of Vascular Surgery at Georgetown University in the past. Dr. Neville completed medical school at the University of Maryland and then a general surgery residency at Georgetown University before moving on to a fellowship at the National Institutes of Health in endovascular device development. Dr. Neville completed a vascular surgery fellowship under the direction of Dr. Robert Hobson.

Dr. Neville is a Distinguished Fellow of the Society for Vascular Surgery, and a Fellow of the American College of Surgeons and a member of other national and international vascular societies. He is the Vice-President (President elect) of the Critical Limb Ischemia Society. Dr. Neville is an international lecturer who has also published over 200 manuscripts, 300 abstracts, 35 book chapters, and 250 invited lectures while remaining actively involved in research and the education of students, residents, fellows, and other physicians. He has consistently been named to the Best Doctors in America, Washingtonian Top Docs, and Who's Who in the World. His clinical interests include lower extremity revascularization, wound healing, and amputation prevention.

Please joins us in honoring Dr. Neville on Friday, April 10.

Previous honorees for the Distinguished Achievement Award include:

2025: Frances Game, MD

2024: Roberto Ferraresi, MD

2023: J.P. Hong, MD, PhD

2022: Dane K. Wukich, MD

2021: Benjamin A. Lipsky, MD

2019: Arun Bal, MBBS, MS, PhD

2018: Lawrence A. Lavery, DPM, MPH

2016: Karel Bakker, MD, PhD

2014: William J. Jeffcoate, MB, MRCP

2013: George Andros, MD

2012: Andrew J.M. Boulton, MD, DSc

2011: William J. Ennis, DO, MBA

2010: Gary W. Gibbons, MD

2009: Peter Sheehan, MD

2008: Lawrence B. Harkless, DPM

2007: David G. Armstrong, DPM, MD, PhD

Continuing Education Credit Information

Course Description

Join us for an extraordinary agenda designed to deliver high-caliber learning from a distinguished multidisciplinary faculty. In collaboration with the Wound Healing Foundation, we are delivering an unparalleled educational experience rooted in advancing wound care, improving patient outcomes, and preventing amputations. This annual conference focuses on a interprofessional team approach that provides each member of the healthcare team with the education and resources needed to heal wounds and prevent amputations. It features a prominent international faculty that promotes the importance of a multispecialty approach in limb salvage. Featuring prominent international faculty whose talks will promote the importance of a multispecialty approach in limb salvage with emphasis on take-home points, techniques, and functional outcomes.

Learning Objectives

- Analyze the public health crisis of diabetic limb loss.
- Discuss the pain of sensory loss and non-compliance to care.
- Examine the options in vascular interventional technology and techniques, both surgical and endovascular.
- Promote the practice of functional limb salvage so that patients maximize their active ambulatory status.
- Navigate the complexities of biomechanics, limb salvage, problem wounds, and wound based infection.
- Cite the financial and social impact of diabetic limb salvage and amputation.
- Identify the roles and responsibilities of members of the healthcare team involved in the collaborative care for prevention of diabetic limb loss.
- Integrate a team-based approach in the care of patients to prevent diabetic limb loss.

Target Audience

This conference is intended for diabetes and wound care specialists, vascular surgeons, orthopaedic surgeons, podiatric surgeons, podiatrists, plastic surgeons, dermatologists, endocrinologists, family practice physicians, infectious disease specialists, cardiovascular and endovascular specialists, nurse practitioners, physician assistants, physical therapists, occupational therapists, dietitians, nutritionists, nurses, peripheral nerve specialists, certified diabetes educators, and other members of the healthcare team involved in diabetic foot and limb salvage.

For updated program information, please visit DLSConference.com

Accreditation

In support of improving patient care, this activity has been planned and implemented by MedStar Health and Wound Healing Foundation. MedStar Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive 23.00 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physicians: MedStar Health designates this live activity for a maximum of 23.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine MOC Credit: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 23.00 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Board of Surgery CC Credit: Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME and Self-Assessment requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

MOC Participation Threshold: Learner participates by writing a reflective statement and makes a commitment to change or maintain an element of practice.

Nurses: This activity is approved for 23.00 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Physical Therapists: An application will be submitted to the Maryland Board of Physical Therapy Examiners for continuing education credits. Once submitted, approval by the Board will be pending, however not guaranteed.

Occupational Therapists: An application will be submitted to the Maryland Board of Occupational Therapy Examiners for continuing education credits. Once submitted, approval by the Board will be pending, however not guaranteed.

Podiatrists: An application will be submitted to the Council on Podiatric Medical Education (CPME) for continuing education credits. Once submitted, approval by the Board will be pending, however not guaranteed.

Physician Assistants: MedStar Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 23.00 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Registered Dietitians (RDs) and Dietetic Technicians, Registered (DTRs):

Completion of this IPCE activity awards 23.00 CPEUs. RDs and DTRs are to select activity type 102 on Professional Development Portfolio (PDP) activity logs.

Agenda

WEDNESDAY, APRIL 8

9:00 a.m. Registration Opens and Continental Breakfast

SESSION I: Workshops

Preregistration will be required to reserve your seat in a workshop. Seating is limited!

10:00 a.m. Workshop 1a

10:00 a.m. Workshop 2a

10:00 a.m. Workshop 3a

10:00 a.m. **Workshop 4a: WHF Nutrition and Wound Healing Interactive Panel**
Panelists: Sejal G. Dave; Veronica A. Haywood-Ragland, DPT, PT, PhD; Laura K.S. Parnell, BS, MSc; Rica Tanaka, MD, PhD

11:00 a.m. Coffee Break

Transition to next workshop.

11:30 a.m. Workshop 1b

11:30 a.m. Workshop 2b

11:30 a.m. Workshop 3b

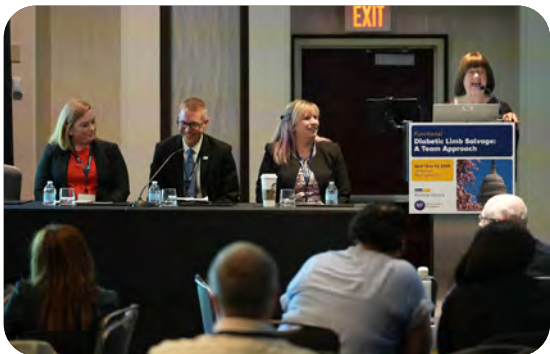

11:30 a.m. **Workshop 4b: WHF Nutrition and Wound Healing Interactive Panel**
Panelists: Sejal G. Dave; Veronica A. Haywood-Ragland, DPT, PT, PhD; Laura K.S. Parnell, BS, MSc; Rica Tanaka, MD, PhD

12:30 p.m. Lunch Break and Networking

"What aspect of the agenda do you find most valuable? The collaboration of all interdisciplinary team to ensure the best outcome for EACH patient."

- 2025 attendee

For updated program information, please visit DLSConference.com

SESSION II: Specialty Small Group Tracks

Preregistration will be required to reserve your seat in the Special Tracks. Seating is limited!

Administrative and Reimbursement Excellence in Wound Healing

Moderators: Kathleen D. Schaum, MS; John S. Steinberg, DPM

- 2:00 p.m.
- The Right Mix of Providers and Resources. It's All About the Team.
Christopher E. Attinger, MD
- 2:30 p.m.
- The Hospital Point of View: It's a Win / Win
Brinder Singh
- 3:00 p.m.
- Wound Care Coding, Coverage, and Payment: 2026 Updates
Kathleen D. Schaum, MS
- 3:30 p.m.
- Coffee Break
- 4:00 p.m.
- Synergy with Industry: Can we be on the Same Team?
Dennis P. Orgill, MD, PhD
- 4:20 p.m.
- Footloose and Team-Bound: An Interactive Session on Who's Playing What Role in Diabetic Foot Care?
Edgar JG Peters, MD, PhD
- 4:40 p.m.
- Advocacy and Regulatory Affairs in Limb Salvage / Wound Healing
Marcia Nusgart, R.Ph.; Karen S. Ravitz, JD

Complications in Surgical Limb Salvage: How Far to Push?

Moderators: Karen Kim Evans, MD; Jayson N. Atves, DPM

- 2:00 p.m.
- Free Tissue Transfer Complications in Limb Salvage
Karen Kim Evans, MD
- 2:30 p.m.
- Cases and Complications in Plastic Surgery
Rajiv P. Parikh, MD
- 3:00 p.m.
- Cases and Complications in Podiatric Surgery
Jayson N. Atves, DPM
- 3:30 p.m.
- Coffee Break
- 4:00 p.m.
- Targeted Muscle Reinnervation in Limb Salvage and Neuroma Management
Grant M. Kleiber, MD
- 4:30 p.m.
- Extreme Limb Salvage Cases
John M. Felder, MD

Extreme Vascular Surgery in Limb Salvage: Yes We Can

Moderators: Cameron M. Akbari, MD; Richard F. Neville, MD

- 2:00 p.m.
- Vascular Disease Classification and Latest CLI Data
Richard F. Neville, MD
- 2:30 p.m.
- Deep Vein Arterialization: The Positives
Kyle Reynolds, MD
- 3:00 p.m.
- Deep Vein Arterialization: The Drawbacks
Michael Siah, MD
- 3:30 p.m.
- Coffee Break
- 4:00 p.m.
- Venous Disease in 2026: It's Not Just Compression!
Misaki M. Kiguchi, MD, MBA
- 4:30 p.m.
- Panel Discussion and Complex Case Presentations
Moderators: Cameron M. Akbari, MD; Richard F. Neville, MD
Panelists: K. Reynolds, M. Kiguchi, M. Siah

Wound Healing Foundation: Emerging Research in Wound Science

Moderators: Laura K. S. Parnell, BS, MSc; Joshua Tam, PhD

- 2:00 p.m.
- WHF-Diabetic Consensus Panel Introduction, Highlights, Knowledge Gaps, and Future Direction
Christopher E. Attinger, MD; David G. Armstrong, DPM, MD, PhD, Henry C. Hsia, MD; David J. Margolis, MD, PhD
- 3:00 p.m.
- WHF-Diabetic Consensus Panel Q&A
Christopher E. Attinger, MD; David G. Armstrong, DPM, MD, PhD, Henry C. Hsia, MD; David J. Margolis, MD, PhD
- 3:30 p.m.
- Coffee Break
- 4:00 p.m.
- Abstract Oral Presentations and Awards
In honor of Gregory Schultz, PhD

Specialty Tracks Conclude Welcome Reception

Adjourn

7:00 a.m. Registration Opens and Continental Breakfast

SESSION III: Diabetes and Neuropathy: Direct Threats to Healing and Function

Moderators: Christopher E. Attinger, MD; John S. Steinberg, DPM

8:00 a.m. Day Two Welcome Remarks
Christopher E. Attinger, MD; John S. Steinberg, DPM

8:10 a.m. Glycemic Control Directly Impacts DLS Outcomes
Ketan Dhatriya, MBBS, MSc, MD, MS, PhD

8:25 a.m. Evidence-Based Wound Care: Does It Exist?
David J. Margolis, MD, PhD

8:40 a.m. Discussion and LIVE Case Check-In: MedStar Georgetown University Hospital Operating Room
Jayson N. Atves, DPM; Karen Kim Evans, MD; Richard C. Youn, MD

9:05 a.m. Sensory Neuropathy: The Base of the Pyramid
Andrew J.M. Boulton, MD

9:20 a.m. Renal Failure Changes Everything
Frances Game, MD

9:35 a.m. Why Functional Below Knee Amputations (BKA) have Altered the Limb Salvage Algorythm
Christopher E. Attinger, MD

9:50 a.m. Discussion and LIVE Case Check-In: MedStar Georgetown University Hospital Operating Room
Jayson N. Atves, DPM; Karen Kim Evans, MD; Richard C. Youn, MD

SESSION IV: Wound Healing Foundation - The Science of Wound Healing

10:30 a.m. WHF KEYNOTE ADDRESS
T.K. Hunt Lecture: GLP-1: From a Putative Peptide to Effective Medicines for Diabetes and Obesity
Svetlana Mojssov, PhD

SESSION V: Caught on Video...DLS Case Presentations

Moderators: Christopher E. Attinger, MD; John S. Steinberg, DPM

11:15 a.m. Vertical Contour Calcanectomy
John S. Steinberg, DPM

11:25 a.m. Ankle Disarticulation Amputation
Paul J. Carroll, DPM

11:35 a.m. Multimodal Doppler Exam at the Ankle
Christopher E. Attinger, MD

11:45 a.m. Distal Vein Patch for Better Arterial Bypass Outcomes
Richard F. Neville, MD

11:55 a.m. Discussion and LIVE Case Check-In: MedStar Georgetown University Hospital Operating Room
Panelists: Jayson N. Atves, DPM; Karen Kim Evans, MD; Richard C. Youn, MD

12:15 p.m. Lunch, Visit the Exhibitors, and View Abstract Poster Presentations

12:30 p.m. Lunch Symposiums I-IV
Preregistration will be required to reserve your seat in the symposium. Seating is limited!

1:30 p.m. Coffee Break with Abstract Poster Presentation Authors
Take a moment to recharge with coffee while taking time to review and discuss submitted abstracts with the authors at their posters.

SESSION VI: Tendons and Bones are Getting in the Way

Moderators: Christopher E. Attinger, MD; John S. Steinberg, DPM

2:00 p.m. How to Perform a Meaningful Biomechanical Exam
Caitlin S. Zarick, DPM

2:15 p.m. Management of Complications and Recidivism
Dane K. Wukich, MD

2:30 p.m. Bone Deformity Causing the Wound: Work Around It or Fix It?
Peter A. Blume, DPM

2:45 p.m. High Tech Devices for Offloading and Compliance
David G. Armstrong, DPM, MD, PhD

3:00 p.m. Tendon Balancing for Limb Salvage
Jayson N. Atves, DPM

3:15 p.m. Discussion and LIVE Case Check In: MedStar Georgetown University Hospital Operating Room
Panelists: Jayson N. Atves, DPM; Karen Kim Evans, MD; Richard C. Youn, MD

Agenda

THURSDAY, APRIL 9

SESSION VII: Managing Infection and the Hostile Wound Environment

Moderators: Christopher E. Attinger, MD;
John S. Steinberg, DPM

- 3:45 p.m. **Antibiotics for Limb Salvage: What the Evidence Tells Us**
Edgar JG Peters, MD, PhD
- 4:00 p.m. **The Science of the Wound Micro-Environment**
Ernest S. Chiu, MD
- 4:15 p.m. **Surgical Treatment of Bone Infection**
Venu M. Kavarthapu, MD
- 4:30 p.m. **The Science and Practicality of Cultures in DLS: Are We Practicing in 1860?**
Princy N. Kumar, MD

4:45 p.m.

OrthoPlastic Limb Salvage for Infection

Stephen J. Kovach III, MD

5:05 p.m.

Discussion and LIVE Case Check-In: MedStar Georgetown University Hospital Operating Room

Jayson N. Atves, DPM;
Karen Kim Evans, MD;
Richard C. Youn, MD

5:30 p.m.

Closing Remarks

Christopher E. Attinger, MD;
John S. Steinberg, DPM

5:35 p.m.

Welcome Reception with Exhibit Hall Grand Opening

Enjoy refreshments and light fare as you connect with industry partners and explore cutting-edge products and technologies on display.

FRIDAY, APRIL 10

- 7:00 a.m. **Registration Opens, Breakfast, Visit the Exhibits and View Abstract Poster Presentations**

SESSION IX: Charcot Arthropathy and Major Reconstruction of the Diabetic Limb

Moderators: Christopher E. Attinger, MD;
John S. Steinberg, DPM

- 8:00 a.m. **Day Three Welcome Remarks**
Christopher E. Attinger, MD;
John S. Steinberg, DPM
- 8:10 a.m. **Evidence Based Approach to Charcot Reconstruction**
Venu M. Kavarthapu, MD
- 8:25 a.m. **If I Knew Then What I Know Now...**
Peter A. Blume, DPM
- 8:40 a.m. **Extreme Charcot Limb Salvage**
Jack Schuberth, DPM
- 8:55 a.m. **Surgical Management of Diabetic Ankle Trauma**
George T. Liu, DPM, MPH
- 9:10 a.m. **Being More Than a Surgeon: Lessons Learned**
Dane K. Wukich, MD
- 9:25 a.m. **Panel Discussion**
Moderators: Christopher E. Attinger, MD;
John S. Steinberg, DPM
Panelists: P. Blume, V. Kavarthapu, G. Liu, J. Schuberth, D. Wukich
- 9:45 a.m. **Coffee Break, Visit the Exhibits, and View Abstract Poster Presentations**

SESSION X: Vascular Best Practice in Limb Salvage

Moderators: Christopher E. Attinger, MD;
John S. Steinberg, DPM

- 10:15 a.m. **Evolution of Endovascular Therapy in Limb Salvage**
Cameron M. Akbari, MD
- 10:30 a.m. **Angiosomes and Beyond: Identifying the True Targets for Revascularization in CLTI (Chronic Limb-Threatening Ischemia) Patients**
Alessandro Ucci, MD, PhD
- 10:45 a.m. **Some Patients NEED a Bypass**
Richard F. Neville, MD
- 11:00 a.m. **Venous Disease Management Best Practices**
Misaki M. Kiguchi, MD, MBA
- 11:15 a.m. **Why I Avoid Stenting Below the Knee**
Nelson L. Bernardo, MD
- 11:30 a.m. **Panel Discussion**
Moderators: Christopher E. Attinger, MD;
John S. Steinberg, DPM
Panelists: C. Akbari, N. Bernardo, M. Kiguchi, R. Neville, A. Ucci
- 11:45 a.m. **2025 MedStar Georgetown Distinguished Achievement Award in Diabetic Limb Salvage**
Richard F. Neville, MD
Introduction by Lisa M. Boyle, MD
- 12:00 p.m. **Lunch, Visit the Exhibits, and View Abstract Poster Presentations**

For updated program information, please visit [DLSCConference.com](https://www.dlscconference.com)

Agenda

FRIDAY, APRIL 10

Session XI: Wound Healing Foundation - The Science of Wound Healing

Moderator: Joshua Tam, PhD

1:30 p.m. WHF EHRLICH RISING STAR LECTURE
Dysfunctional Immune Cell Interactions Drive Chronic Inflammation in Diabetes-Impaired Wound Healing
Mateusz S. Wietecha, DMD, PhD

1:50 p.m. WHF SOLVENTUM FELLOWSHIP LECTURE
Photobiomodulation for Therapeutic Treatment of Post-burn Muscle Wasting in a Mouse Model
Nashwa Cheema, PhD

DLS Keynote Lecture Session

2:10 p.m. DLS KEYNOTE LECTURE
U.S. Health Care: Evolution or Revolution?
Stephen R.T. Evans, MD

2:35 p.m. **Coffee Break, Visit the Exhibits, and View Abstract Poster Presentations**

SESSION XII: Reconstructive Plastic Surgery in Limb Salvage

Moderators: Christopher E. Attinger, MD;
John S. Steinberg, DPM

Agenda

SATURDAY, APRIL 11

7:00 a.m. Registration Opens, Continental Breakfast, Visit Exhibits

SESSION XIII: Workshops and Meet the Professor Sessions

*Preregistration will be **required** to reserve your seat in the Workshop or Meet the Professor session. Seating is limited!*

8:00 a.m. **Meet the Professors of Complications Management**
Karen Kim Evans, MD;
Richard C. Youn, MD

8:00 a.m. **Meet the Professors of Neuropathy and Nerve Surgery**
Andrew J.M. Boulton, MD, DSc;
Grant M. Kleiber, MD

8:00 a.m. **Meet the Professors of Orthopaedics and Deformity Correction**
Dane K. Wukich, MD;
Venu M. Kavarthapu, MD

8:00 a.m. **Workshop: Dressings and Topical Wound Care**
Thalia A. Attinger, MSN, FNP-BC;
Christina M. Koehler, BSN, RN, CWON

8:00 a.m. **Workshop: Prosthetics / Offloading / Total Contact Casting**
Michael Corcoran, CPO;
Jayson N. Atves, DPM

8:00 a.m. **Workshop: Compression and Edema Management**
Arthur M. Saldana, BS, OTR/L, CLT;
Jennifer Oscarson, OTR/L, CLT

8:45 a.m.  **Break and Transition to Next Session**

SESSION XIII: Workshops and Meet the Professor Sessions continued

9:00 a.m. **Workshop: Dressings and Topical Wound Care**
Thalia A. Attinger, MSN, FNP-BC;
Christina M. Koehler, BSN, RN, CWON

9:00 a.m. **Workshop: Prosthetics / Offloading / Total Contact Casting**
Michael Corcoran, CPO;
Jayson N. Atves, DPM

9:00 a.m. **Meet the Professors of Complications Management**
Karen Kim Evans, MD;
Richard C. Youn, MD

9:00 a.m. **Meet the Professors of Neuropathy and Nerve Surgery**
Andrew J.M. Boulton, MD, DSc;
Grant M. Kleiber, MD

9:00 a.m. **Meet the Professors of Orthopaedics and Deformity Correction**
Dane K. Wukich, MD;
Venu M. Kavarthapu, MD

9:00 a.m. **Workshop: Compression and Edema Management**
Arthur M. Saldana, BS, OTR/L, CLT;
Jennifer Oscarson, OTR/L, CLT

10:00 a.m. **Coffee Break and Visit Exhibits**

SESSION XIV: Wound Care is More Than Gauze and Saline

Moderators: Christopher E. Attinger, MD;
John S. Steinberg, DPM

10:30 a.m. **Non-Surgical Interventions for Non-Surgical Wounds: The Role of Rheumatology**
Carol Deane Benedict, MD

11:00 a.m. **Gregory Schultz, PhD Poster Abstract Oral Presentations and Awards**

11:30 a.m. **The Patient's Perspective: Thoughts from the Ones Who Know this Way Better Than We Do!**
John S. Steinberg, DPM

11:40 a.m. **The Patient's Perspective: Extreme Physical Therapy for Amputee Rehabilitation**
Larry Ray Bogart, Jr.

11:45 a.m. **The Mental Health of Limb Salvage: Early Georgetown Data**
Daniel Powell, MD

11:55 a.m. **Limb Salvage in Private Practice**
Lawrence B. Colen, MD

12:05 a.m. **Diagnosis and Treatment of Atypical Leg Wounds**
Helena P. Pasieka, MD

12:15 p.m. **Are We Conducting the Orchestra or Managing the Chaos?**
Thalia A. Attinger, MSN, FNP-BC

12:25 p.m. **Prosthetics and Ambulation After Extreme Limb Salvage**
Michael Corcoran, CPO

12:30 p.m. **Closing Remarks**
Christopher E. Attinger, MD;
John S. Steinberg, DPM

12:35 p.m. **Adjourn**

Call for Abstracts!

MedStar Health is pleased to invite you to submit a poster abstract for presentation at the MedStar Georgetown University Hospital's Functional Diabetic Limb Salvage (DLS) Conference in collaboration with the Wound Healing Foundation. This is an excellent opportunity for you and your colleagues to share your latest work and research with world-renowned experts in the field!

Abstracts will be reviewed and selected on the basis of their scientific merit and content quality. Submitted abstracts meeting the eligibility requirements will be considered for Oral and Poster Abstracts. Poster abstracts will be displayed during the conference in the Abstract Hall on Wednesday, April 8 to Saturday, April 11.

We encourage you to participate by submitting a 250 word abstract, which should describe work with relevance to diabetic limb salvage.

All accepted abstracts will be published in the **International Wound Journal**.

Submit your abstract online at dlsconference.com by February 6, 2026.

Venue Information

JW Marriott

1331 Pennsylvania Avenue NW
Washington, D.C. 20004

Reservation Line: 800-393-2503

Room Block Rate: \$329 + applicable tax
Be sure to mention "Diabetic Limb Salvage" when making your room reservations.

Hotel Room Block Cutoff Date: March 18, 2026

If you're attending DLS 2026 in Washington, D.C., here's why staying at the JW Marriott would elevate your experience:

Steps from the Action - Stay at the Host hotel where sessions and networking unfold maximize learning, minimize travel time.

Unbeatable Location - Enjoy sites nearby such as the White House, National Mall, and Smithsonian museums.

Effortless Connectivity - Just blocks from Metro Center Station for seamless access to airports, Union Station, and all of DC.

All-in-One Convenience! With everything under one roof, you'll spend less time commuting and more time immersed in the ideas, networking, and inspiration of DLS 2026.

Registration Information

Registration Fees

EARLY BIRD
NOW – JANUARY 11

* Proof of status required

Proceeds from the Diabetic Limb Salvage Conference will be donated to special funds supporting MedStar Podiatric Surgery Resident Education Programs and MedStar Wound Nursing Education and Wellness programs. The Podiatric Surgery Residency at MedStar Washington Hospital Center is approved by the Council on Podiatric Medical Education (CPME) and is a Podiatric Medicine and Surgery Residency (PMSR) with the added credential in Reconstructive Rearfoot/Ankle Surgery (RRA).

Online Registration Preferred

Please visit **DLSCongress.com** for updated program and registration information. We are unable to accept registrations or cancellations by telephone. All registrations will be confirmed by email only. If you have questions or do not receive a confirmation within 1-2 business days, please contact us at medstarcpce@medstar.net or (833) 731-1273.

Cancellation Policy

Cancellations made in writing by February 18, 2026 will be subject to a 50% penalty. No refunds will be given after February 18, 2026. Cancellations will not be accepted by telephone. In the unlikely event that the course is canceled, MedStar Health will refund the registration fee, but is not responsible for any travel costs.
